ABOUT TRANSFORMING LIVES ACADEMY

Transforming Lives Academy (TLA) was founded in October of 2011. The Founder/President Gloria Andrews had a strong vision to help youth in the Bolingbrook Community. After working as a certified educator, she realized that students were not advancing with their education and the community was becoming more disadvantaged due to the lack of resources.

TLA first started tutoring students which increased their academic scores. Next they created a mentoring and coaching program for girls and women who aspired to be successful.

Our supporters and volunteers help families advance. The organization obtained its 501(c)3 status and currently serve the Bolingbrook, Illinois community and beyond
